THE SELECTMENS' LAMENT

Verily, Town Meeting comes on apace!

We are the tortured; the intimidated, and the trivial.
We have been scalded; drawn and quartered. Bled white;
Kicked up, smacked down, bull whipped and bally-ragged.
And for what? For the good of the order,—perhaps.
We are the men who failed to butt the Bull off the bridge.
We are Anathema!

There is the squeezing of the proboscis, by those passing
To leeward of our tattered remains.

We are the Weasels who sucked the fluid from the wattels
Of the prize Rooster; and who purloined the squeak from the
Cucumber, injecting it into the axle of our neighbor's
Wheelbarrow.

We are the men who left the rocks in the road, and never
Went that way again.

There is the sticking of fingers in our optical orifices,
By others and sundry. We have been gouged; rabbit punched,
And hamstrung, without benefit of having the stitches removed.

We are the Nits who know holes in Soldiers' sweaters.
We are the Buzzards who disembowel the first sweet buds of
Spring. Verily, we are bad; black as the throats of our
Ancient fireplaces. We are the Vipers responsible for both,
The drought, and the unholy sponges who absorb the infantile
Deposit of the night dew.

We are the Barnacles who put the tack on Teacher's seat.
We are the Skunks who water our lawns with the tears of
The taxed; and quiet the restless child with cyanide!

We are the Larva of the destructive Japanese Beetle, and
Godfather to the despicable Potato bug. The rubber shortage
Is laid upon our door step to bark our shins; and our eight
Ounces of sugar fails to sweeten the bitterness of our existence.
We are the Barvel who devour the golden eggs of opportunity
While our bailiwick rots undisturbed. We are the minutiae
Responsible for the painful explosions and cracking in the
Arterial system of our aged.

We are the unforgettable, the unforgivable, the denounced.
We are the Slugs upon whose infamy, Curfew never rings!

Mr. Moderator: we rise to a point of !

Board of Selectmen of Ossipee
c/o Edward G. Coughlin, Chairman
West Ossipee, New Hampshire

Gentlemen:

Your town report for the last fiscal year has been brought to my attention, and I want to comment favorably on the makeup of your statement of the six-year town analysis and the explanation following.

This is exactly what I have urged the towns to do for several years past, but few of them have followed the suggestion. I think it is of infinitely more importance that the townspeople be fully informed of the financial condition of the town and why the condition is as it is than that there should be an attractive cover to the report. The attractive cover makes it of interest to collectors, but is of little practical importance.

Very truly yours,
John S. Marston
Secretary
State Tax Commission

OSS�PEE NURSING SERVICE A. R. C.

The Ossipee Nursing Service has had another busy year as the report will show you. All phases of Public Health Work are receiving attention.

The Clinic work of the year has been as usual. It is now possible to have both a physician's examination of the chest and an X-ray of chest of any suspicious tuberculosis case at the annual Chest Clinic. We have been much handicapped by not being able to maintain a dental clinic through the school year. It is difficult to obtain a dentist who has any time left from his own practice for this type of clinic. We wish to bring this to the attention of the parents so that they can understand why more of this kind of work is not being done as formerly.

The audiometer was borrowed from the State Board of Education for testing of hearing in the schools. The cause of defective hearing was found usually to be due to former infection from colds, bad tonsils and communicable diseases.

Another feature has been added to the Public Health Program, "Home Nursing Classes for Adults." This course teaches the wife or mother how in the present War Emergency she may take better care of her home and family. In that way also she helps to keep a higher standard of health in the community. Plans are being made to hold another one of these classes this spring.

The Chairman of the Nursing Activities Committee and the nurse wish to thank those who have helped in any way through giving their time, cars and generous support to the Health Work.

Respectfully submitted,

BLANCHE M. BUSWELL
Nursing Activities Chairman

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board of Ossipee:

I herewith submit my first annual report which is the first in the series of such reports.

UNION NO. 36

The eight school districts of Brookfield, Effingham, Freedom, Madison, Middleton, Ossipee, Tamworth, and Wakefield continue to comprise this supervisory union. The union expense of administration is as follows: Brookfield, 1.60%; Effingham, 7.87%; Freedom, 6.04%; Madison, 12.43%; Middleton, 3.31%; Ossipee, 30.90%; Tamworth, 20.41%; Wakefield, 17.44%. The above percentages are based on the pupil registration in the various towns.

I suggest that consideration be given to the improvement of the toilets at the Ossipee Corner school. New septic tanks could be installed at a comparatively low figure thereby greatly improving the present conditions. As they exist at the present time it does not seem that we are considering the health of the pupils as primary.

Hot lunches have been served in several schools to the pupils who take their dinners. The interest shown by the teachers in those schools in serving these lunches to the pupils is greatly appreciated because without their interest and support the noon program could not be carried out successfully.

We wish to continue maintaining and improving the standards in our schools and we feel that it can be done through earnest cooperation between teachers, parents, and pupils. We also feel that from this cooperation there will be a clearer understanding among the many parents and friends of the school in our community.

Respectfully submitted,

HAROLD A. TRUELL
